## PERMIAN BASIN FIRST PRIORITY

### 9 MONTH MISSION TRIP IN OUR LOCAL SCHOOLS

#### THANK YOU

We have passed out over 900 Bibles this semester to students that made a decision to follow Jesus for the first time and also those students who did not have a Bible. And because of generous people like your, we were able to purchase 750 more, thank you!

#### FP NATIONAL AWARD

This year at our National Conference in Nashville, TN the Permian Basin First Priority team won the award for the highest percentage of students coming to faith in Jesus. 40.9% of all students attending a First Priority club begin a relationship with Jesus. Giving God all the glory for what he is doing in the lives of students here in the Permian Basin. Thank you for helping make that happen.

*"Because I was bullied at my last school, I was afraid that I wouldn't make friends here but then I found First Priority and friends that support me."*

#### FROM FP EXECUTIVE DIRECTOR, SHANE:

We are off to an incredible start this school year. Students across the Permian Basin are seeing lives changed as they lead their clubs. With the help of their Campus Coaches, students are learning how to effectively share the Gospel message and tell their personal faith stories. At one middle school, while learning what a testimony is, one 8<sup>th</sup> grade girl realized she didn't have a story. So, after talking with an adult volunteer, here was her prayer, "God, I don't know what all this means but I want all of You and I'm giving you all of me." This is why we do First Priority, so that EVERY student has an opportunity to have a faith story. Thank you so much for your continued support.

EVERY STUDENT

*One freshman pulling another freshman in for a hug and he said, "Thanks for introducing me to First Priority." It was such a sweet reminder that it only takes one to reach one and that one could change their school.*

#### THERE IS POWER IN YOUR STORY

We had a student, one of our core leaders, approach a Campus Coach at the end of his lunch and tell her that while he has been a part of church his whole life, he has never had his OWN STORY. And just like that, he surrendered his life to the Lord, asking his Campus Coach to lead him. It was a powerful moment!
