PERMIAN BASIN FIRST PRIORITY

9 MONTH MISSION TRIP IN OUR LOCAL SCHOOLS

THANK YOU

Because of your generosity, we were able to purchase over **1500** Bibles this school year; **1200** of them were passed out to students that either began a relationship with Jesus or never

had a Bible. It has been great seeing them bring their new Bible to club each week.

FP NATIONAL AWARD

This year at our National Conference in Nashville, TN the Permian Basin First Priority team won the award for the highest percentage of students coming to faith in Jesus. **40.9%** of all students attending a First Priority club

begin a relationship with Jesus. We give God all the glory for what he is doing in the lives of students here in the Permian Basin. Thank you for helping make that happen.

THERE IS POWER IN YOUR STORY:

"The focus for us this month is how there is power in our story. During the "Apply It" time, students broke into small groups and shared their FAITH stories. A student named Michael shared with one of our volunteers that he didn't have a story, and he didn't know how to begin a relationship with Jesus. So, in the cafeteria at 8:00 AM in the morning during "Help Week" a local youth pastor led Michael through the plan of salvation!"
