

# FIRST PRIORITY PERMIAN BASIN

OCT 2020 UPDATE

## WORDS FROM OUR DIRECTOR

Due to students being unable to meet in groups on campus, First Priority has made a way for them to continue reaching their friends with the hope of Jesus Christ by creating individual guides for them to journey through weekly. The H.O.P.E. Participation Guide is a weekly devotion that teaches students how to share the Gospel with their peers. Each guide comes with a tool to help them share their faith and teaches them how to share their personal testimony with others. We are currently supplying H.O.P.E. Participation Guides to 38 youth groups and 20 schools. As of last week, we delivered/mailed over 2,200 guides. This number will increase as Covid-19 restrictions are lifted. We will also be making the HOPE Participation Guides available on-line for those students that are still learning virtually. We are loving how God is using this unique time to show off in the lives of students. Thank you for your continued support.

Shane Kenney, Executive Director, Permian Basin First Priority

We want to give a huge **THANK YOU** to Immanuel Baptist and Sherwood Baptist for helping us print over 4,500 guides this month and also to Crescent Park for providing a work space for us. You all are a huge blessing to our ministry.

## HELP WEEK TOOL

"But as for me and my house, we will serve the Lord." Joshua 24:15b

This year is all about choices and this month students have focused on what it looks like to Choose Jesus. Students have prayed for God to help them put Jesus first and remove the distractions. They have also made a list of things they needed to give up so that they can make right choices. They learned that if they are making a choice to trust and follow Jesus, they need to get to know Him. Next month they will focus on Choose Prayer as they continue to get to know Jesus.
