

PERMIAN BASIN FIRST PRIORITY QUARTERLY NEWSLETTER

A WORD FROM OUR EXECUTIVE DIRECTOR:

God is good!! Even through a pandemic and a year of social distancing, God is still good. With First Priority being a campus ministry without the ability to be on campus has proven challenging, but it also gave us an opportunity to build deeper relationships with the local church, our volunteers, and donors. We were able to really evaluate how we can do ministry better in this season of uncertainty. Our primary goal has always been to equip, empower and encourage students to have an encounter with Jesus and tell their peers about it. So, we put together student evangelism guides that teach students how to have gospel conversations with their circle of influence. Many students made decisions to follow Jesus for the first time and they are getting plugged into the local church. Praise the Lord! We look forward to being back on every campus in the fall. God is sooo good. Thank you for your continued support.
